QUALITY POLICY STATEMENT

“TO BE THE LEADING ELECTRICAL & MECHANICAL ENGINEERING AND CONTRACTING SERVICES COMPANY IN BAHRAIN, IN TERMS OF BOTH QUALITY AND RELIABILITY, WITH THE CAPABILITY TO EXPAND OUR ACTIVITIES AROUND THE GULF”

WE WILL ACHIEVE THIS THROUGH:

- Being sufficiently profitable to provide a reasonable return to our present and future shareholders
- Being able to expand our management structure to enhance and maintain excellence, and having in place a line of succession that will allow continuity and reliability
- Continually improving in our existing operations and fields of activity, and investigating new fields of activity and technology to satisfy the changing needs of our customers
- Ensuring that all our staff and personnel are well trained, disciplined and motivated, and by employing or having access to key personnel who are knowledgeable and competent in the fields of services offered by the Company
- Creating a safe and healthy workplace and working environment for all employees of the company
- Taking our Customers as our most valuable asset and serving them with excellence, reliability and integrity and providing them with diversification and continuity
- Maintaining representation and/or contacts in the various countries of immediate or potential interest
